*WTO Public Forum 2012, Session 24  
16:15–18:15, Centre William Rappard, Geneva, Room S1*

***Liberalisation, predictability, trade facilitation 2012:  
What can the WTO still deliver to economic operators?***

EuroCommerce and the Foreign Trade Association represent European commerce, a strong sector that stands to win from a strong WTO.

Against the backdrop of the slow progreof stability and predictability. Negotiations on issues like trade facilitation are making reasonable progress and early harvest in that area could deliver tangible benefits to economic operators reasonably soon.
