

# TRIPS: diplomatic policy

WTO Public Forum 2015

Adrian Macey  
Institute for Governance and Policy Studies  
Victoria University of Wellington  
WTO October 2015

# Outline

- Dispute settlement legacy of the TRIPS negotiations
- TRIPS and contemporary public policy issues
  - Perceptions
  - The case of pharmaceuticals
  - The case of climate change
- How fit for purpose?

# TRIPS and pharmaceuticals

- Balance between private and public good still debated, and still sensitive
- Still poor public awareness
- TPP

## TRIPS and climate change

- The “Paris Agreement” – what’s changed?
- From science to policy
- The global energy transition – role of the private sector
- Meeting demands for access to technology
-
