## TRADE IN COMMERCIAL SERVICES

China continued to report the strongest year-on-year growth of exports of trade in commercial services, +63% in November. The United States of America saw the largest growth of imports in the group of selected traders, while the European Union and Japan showed equal year-on-year growth, +4% in November.

Annualized short-term statistics may differ from the annual statistics disseminated through the WTO's online databases, publications or press releases. Data for the latest period are provisional.

1. Data can be downloaded on our website [stats.wto.org](https://stats.wto.org) by selecting the following indicators:

- Total merchandise exports - monthly
- Total merchandise imports - monthly
- Commercial services exports of selected economies - monthly
- Commercial services imports of selected economies - monthly

2. The publication is updated with the same frequency as the data release - around the 25th of the month.

3. The economies/territories shown in the publication represent a selection of our coverage of reporting economies and territories. In particular, the reporter "European Union" now reflects the current membership of 27 economies (no longer including the United Kingdom).
