In July 2011, the Government of the People's Republic of China signed the Memorandum of Understanding (MOU) with the WTO Secretariat on the China LDCs' and Accessions Programme ("The China Programme"). The Programme has been extended on a yearly basis, with the latest signed on 1 December 2020. The China Programme has five pillars, including the WTO Accessions Internship Programme and the annual Accession Round Table, designed to build capacity and technical skills in trade policy, including on accession negotiations, for acceding governments and Article XII Members, especially from least-developed countries.
