Republic of Lithuania
Law on Amending and Supplementing Article 5 of the Law on Industrial Design

Vilnius

.....

No 61-1531, 1995

Article 1. Amendments to Article 5.

Paragraph 1 of Article 5 shall be amended and supplemented to read as follows:

The holder of an industrial design shall have the exclusive right to authorise or prohibit unauthorised persons from manufacturing, offering for sale, selling, putting on the market, importing or exporting, accumulating and using products or the parts thereof, which constitute a copy of a registered industrial design or a substantial copy thereof, provided that such actions are taken for commercial advantage.

I promulgate this Law passed by the Seimas of the Republic of Lithuania

President of the Republic
