

THE LAW OF THE REPUBLIC OF TAJIKISTAN
«ON INTRODUCING AMENDMENTS INTO
THE LAW OF THE REPUBLIC OF TAJIKISTAN
«ON VETERINARY MEDICINE»»

Article 1. To introduce the following amendments into the law of the Republic of Tajikistan of December 8, 2003 “On Veterinary medicine” (Ahbori Madjlisi Oli of the Republic of Tajikistan, 2003, #12, Art.701):

1. To exclude the words “or revocation of license of veterinary medicine” in part two of Article 6.

2. To set forth Article 9 in the following edition:

«Article 9. Licensing private veterinary practice

Private veterinary practice is realized on the basis of a license.

License of realization of private veterinary practice is issued in manner prescribed by the Law of the Republic of Tajikistan “On licensing certain kinds of activity.”

3. To exclude paragraph seven of part two of Article 11.

4. To set forth the text of Article 24 in the following edition:

«Physical and juridical persons engaged in slaughter, production, processing, storage, transportation and selling of meat, meat products and animal products realize their activity on the basis of veterinary and sanitary certification of conditions of production.

The order of conducting veterinary and sanitary certification and obtaining a veterinary and sanitary license of export of meat, meat products and animal products from the Republic of Tajikistan and import of these products into the Republic of Tajikistan is determined by plenipotentiary veterinary agency under the Ministry of agriculture of the Republic of Tajikistan.”

5. To exclude part three of Article 39.

Article 2. To put this Law into force after its official publication.

President

of the Republic of Tajikistan

Dushanbe city, December 26, 2005
