

The Government approved a special procurement procedure through Decree-Law no. 29/2009, of 28 October. There is an urgent need to regulate the said Decree-Law in compliance with the provisions of no. 3 of article 2 and in order to create the effective procedures for the execution of the identified projects, with priority and importance for the national development and strengthening of the small and medium Timorese business fabric.

Thus, the Government decrees, under the terms of article 2 of Decree-Law no. 29/2009, of 28 October, to be effective as a regulation, the following:

1. The publicity of the projects to be carried out is

- 3.

1. The following are the minimum criteria for the selection of companies:

- a) Experience in the area of projects to be carried out;
- b) Demonstration of capacity to carry out the project.

2. The selection of companies is made by a joint team that includes elements from the relevant ministries.

3. In cases whereby the provisions of paragraph no. 2 of the previous article are verified, the team must include elements of that entity.
