

ACCESSION OF UKRAINE

Communication from Ukraine

The following information has been received from the Governmental Commission on Ukraine's Accession to GATT/WTO in answer to Question No.26 of the Consolidated List of Questions and is available for consultations at the Secretariat (Accession Division, Room 1126):

- Agreement on Cooperation Between the State Committee of Ukraine on Standardization, Metrology and Certification and U.S. National Institute of Standards and Technologies.
- Agreement on Cooperation in the Sphere of Standardization, Metrology and Certification between the Cabinet of Ministers of Ukraine and Government of Turkmenistan.

Effective as of April 7, 1998

Agreement

a

n

d

further development, improvement and harmonization of state standardization and certification systems;

development of information activities in the sphere of standardization, metrology and certification.

This Agreement is entered into for an unspecified period of time, and comes into force after the last notification which would confirm that the Parties have already complied with inter-governmental procedures needed for this Agreement to become effective.

Each Party can denounce this Agreement after informing the other Party about such intention in a written form.

The validity of this Agreement expires six months after the other party receives such notification.

Signed in the city of Ashhabad on January 28, 1998 in two valid copies each in Ukrainian, Turkmen and Russian languages, with all texts being authentic.

In case there are any misunderstandings as to the interpretation of the provisions of this Agreement the preference is given to the Russian language wording.
