**The Prime Minister's Directive On Advancing The Process Of And Improving The Quality Of The Drafting Of Laws And Ordinances In The Year Of 2005 In Support Of WTO Negotiations And Accession**

International economic integration and accession to the WTO are of an important policy of our Party and State. In order to facilitate the process of international economic integration in general and negotiations to join the WTO in particular, showing the will of Vietnam to join the WTO as early as possible, on March 2, 2005, the Government approved the policy to advance the process of and improve the quality of draft laws and ordinances in 2005 in support of WTO negotiations and accession. In order to implement that policy, the Prime Minister directs as follows:

1. Ministers and heads of ministerial level bodies, heads of governmental bodies who have been assigned to take the lead in drafting and the head of drafting committee shall directly supervise the drafting, gather capable and qualified officials, set aside funds, time and other necessary conditions to ensure the completion [of drafting process] in a timely manner and quality of draft laws and ordinances which are defined in the Annex to this

its considerations and approval in September 2005 (for the draft Ordinance on standardization) and in October 2005 (for the draft Ordinance on foreign exchange).

d) With regard to the draft Code on judgment execution and draft Law on lawyers, the MOJ shall submit [them] to the Government in the 3<sup>rd</sup> quarter of 2005 so that the Government may submit [them] to the National Assembly for its opinions at the 8<sup>th</sup> session of the National Assembly.

2. In the process of drafting, ministries and branches that take the lead in drafting and drafting committees shall focus on issues that are of very important in support of WTO negotiation process. In order create more favorable conditions for the preparation for discussion and approving draft laws and ordinances at the National Assembly and the Standing Committee of the National Assembly in a timely manner as needed, that take the lead in drafting shall be active in co-operating at the beginning with bodies of the National Assembly and preparing explaining parts in the submitting letter to the Government and that to the Standing Committee of the National Assembly and the National Assembly on plans selected in order to ensure the consistency of provisions in drafts with relevant ones of the WTO; sending drafts bills and relevant documents to the MOJ for its verification prior to submitting to the Government for its considerations.

3. The MOT shall be responsible for frequently and timely notify that take the lead in drafting of requirements of the WTO and negotiating parties; co-operate with the MOJ and co-ordinating ministries and branches to ensure the consistency of draft laws and ordinances with provisions on WTO member obligations.

4. Ministries and branches which take the lead in drafting shall be responsible for translating draft laws and ordinances into English and send them to the NCIEC so that the NCIEC may send them to the WTO upon request of negotiating parties. The office of the NCIEC shall be responsible for co-operating with the MOFA and MOT to ensure the quality of translated versions [of these drafts] submitted to the WTO.

5. Ministries and branches which take the lead in drafting shall be responsible for drafting specific implementing regulations in parallel with the process of drafting laws and ordinances in order to submit [them] to the bodies with authority to issue, ensuring the full and timely implementation of laws and ordinances once they are approved by the National Assembly and the Standing Committee of the National Assembly.

6. Normative legal documents issued by ministries and branches or local authorities in accordance with their respective authority shall be consisted with provisions on WTO member obligations and Vietnam's commitments to the WTO. Heads of ministries and branches and local authorities at all levels, in accordance with their respective functions, shall increasingly supervise the order in issuing normative legal documents, and regulations on publishing in the Official Gazette; shall not issue documents containing normative legal contents in the form of official letter and/or notifications.

7. The MOJ shall co-ordinate and co-operate with the MOT, Office of the Government, ministries and branches and relevant bodies to quickly study, and timely propose and

actively draft laws, ordinances in the form of a document that can amend, supplement a number of provisions in many current laws and ordinances upon arising a need to amend, supplement laws and ordinances that are not included in the List in the attached Annex.

8. The Office of the Prime Minister shall be responsible for monitoring, reminding

**ANNEX**  
**LIST OF LAWS AND ORDINANCES DRAFTED AND SUBMITTED IN 2005**  
**FOR THE PURPOSES OF WTO ACCESSION NEGOTIATION**

*(Issued under Directive 08/2005/CT-TTg dated 4 April 2005 of the Prime Minister)*
