Mr. Chairman,

Director-General,

Excellencies, Colleagues

First of all, I am pleased to extend, on behalf of the Government of the State of Kuwait, our sincere appreciation and gratitude to the government of the Republic of Indonesia for their warm hospitality and exceptional welcoming. Likewise, I would like to commend the organizers of this Ninth WTO Ministerial Conference and the WTO Secretariat for the outstanding arrangement of this meeting.

I also take this opportunity to congratulate Mr. Roberto Azevedo for assuming the post of the Director General of the World Trade Organization, wishing him and his deputies every success in their enormous tasks.

As well, I seize this occasion to welcome our newest member to the WTO the Republic of Yemen, where I am sincerely confident of their significant and positive contribution to the goals of this organization.

environment and to make it more attractive to domestic and foreign investors, we have issued a number of new laws and introduced some significant amendments on diverse existing laws.

Mr. Chairman

I would like to urge all members to support us in two key issues, first recognizing the Arabic Language as one of WTO's official languages, as this would significantly increase our participation in works and negotiations of the Organization, and would support more communications and relationships between civil communities within the Arab countries and the Multilateral Trading System.

Furthermore, we seek and look forward to your support for the League of Arab States request to become an observer member in the organization and in the ministerial conference, as this would enable all Arab countries to pursue WTO issues, and to contribute to the success of its decisions and agreements.

Thank You
