BURKINA FASO

Statement by H.E. Mr. Benoît Ouattara
Minister of Trade, Enterprise Promotion and Handicrafts

At the outset, I should like to associate myself with those delegations that have already taken the floor to express my deep sorrow at the tragic death of the Minister of Foreign Affairs of Sweden, Her Excellency Anna Lindh. I offer my most sincere condolences to the bereaved family, the Government and the people of the Kingdom of Sweden.

Allow me to warmly thank the President, the Government and the people of Mexico for their welcome and the hospitality that has been extended to us since our arrival here in the beautiful City of Cancún.

I should also like to congratulate you, Mr Chairman, on your election to the chairmanship of our Conference.

The Round of multilateral trade negotiations launched in Doha has been dubbed the Development Round. This has kindled a great deal of hope in least-developed countries like Burkina Faso.

I should like to pay tribute to the Chairman of the General Council for his efforts to find a consensus on the negotiating issues. Thanks are also due to the Director-General of the WTO and his team.

Burkina Faso supports the positions expressed by the LDCs, the ACP and the African Union on the different issues under negotiation. However, we should like to lay stress on the following points.

On the question of agriculture:

With regard to market access, Burkina Faso proposes a substantial reduction in the duties applied to agricultural products by the developed and newly industrialized countries.

We also wish to see a sharp reduction in tariff escalation on the basis on the degree of product processing.

We recommend unrestricted duty-free and quota-free access to developed country markets for

As regards domestic support, our proposals are as follows:

- A substantial reduction in support measures capable of creating distortions on the market;
