(98-2112)

opportunity to review the achievements and shortcomings as well as challenges facing WTO Members especially the developing country Members in implementing their existing Uruguay Round commitments.

2. While WTO Members are making serious efforts to fulfil their obligations, the full and meaningful implementation of the UR commitments have yet to be fully realized. For example, an assessment of the first two stages of integration of textiles and clothing

18. Malaysia, as well as several other countries in South-East Asia are preoccupied with the problem of economic recovery and alleviating the negative impact of the financial turmoil.
19. It is clear that
