

10 Years of Cotton Development Assistance at the WTO: Progress and Challenges

Flyer presentation

Fabrizio Meliado
WTO Secretariat

The why, how, and what of this new flyer on the last 10 years of cotton DA

1. Why: Because we have had the Evolving Table as an individual WTO document for 10 years now
2. How: By taking a look at the data in the Evolving Table and making some simple calculations
3. What: The flyer reports aggregate data on the geographical distribution of projects, as well as key figures on commitments and disbursements

**10 Years of Cotton
Development Assistance
at the WTO:**

Progress and Challenges

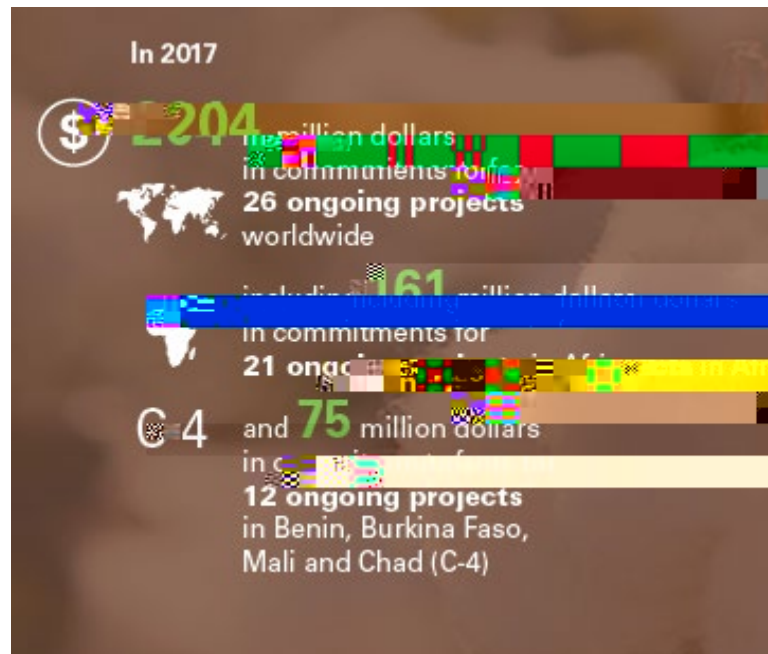

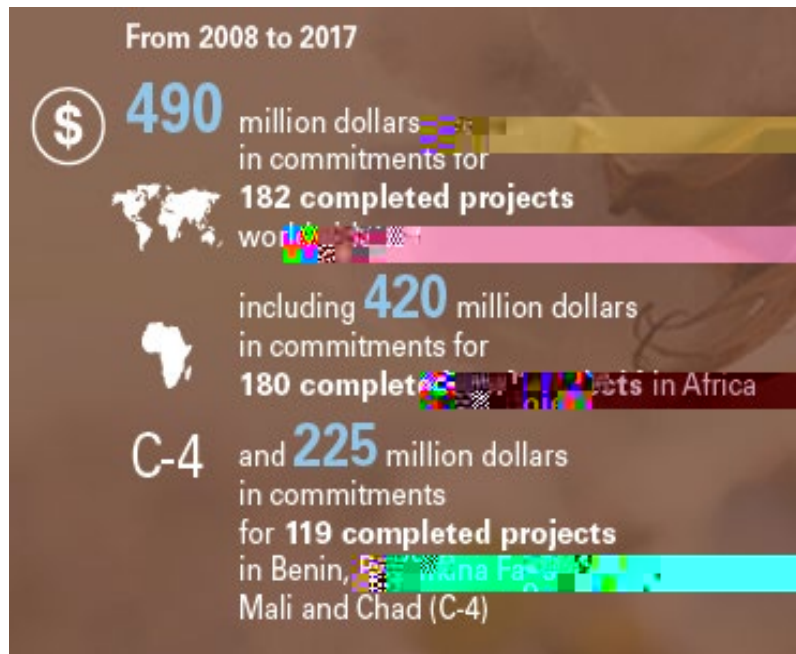

We started from the year 2008 because that is the first year of the Evolving Table as a WTO document in the series WT/CFMC/6/*.

Over the years, however, the evolving table has undergone **a number of changes** in terms of structure and information reported, for example:

3. The what : Key figures

Data on completed cotton-specific projects passed on the November 2017 version of the Evolving Table, Annex 1
(Completed cotton-specific projects, document WT/CFMC/6/Rev.23, pp. 13-26)

The what : Geographical distribution of projects

Geographical distribution
