**Supporting Tables Relating to Commitments on Agricultural Products
in Part IV of the Schedules**

This document contains supporting material relating to commitments on agricultural products contained in Schedule LXVI - Jamaica.

Annexe

produits agricoles repris dans la Partie IV des Listes

Le présent document contient les données explicatives concernant les engagements relatifs aux produits agricoles inscrits dans la Liste LXVI - Jamaïque.

DOMESTIC SUPPORT

Jamaica's support measures are designed to improve agricultural productivity and are given mainly through technical assistance and production inputs. The assistance is not product specific, and there

is an annual commitment. The latter measures are permitted exemptions from the reduction commitment.
