in Part IV of the Schedule

d in its  
; to be  
ainable

the EU  
cations

gricultural and fisheries sectors in the coming years will thus be based on FAO's advice as basically emerging from  
entation of the restructuring process and programmes is still under study by:

for Agriculture;  
ceting Board;

s Advisory Board;

d;

;

ry Board;

y Board

e domestic measures exempt from the reduction commitment. in effect they represent, in a nutshell, the domestic  
sheries sectors prevailing at the time of submission of this document The whole regime will be revised as part of  
he EU. In particular, at this point, no attempt can be made to include the monetary value of the new restructuring
