**Supporting Tables Relating to Commitments on Agricultural Products
in Part IV of the Schedules**

This document contains supporting material relating to commitments on agricultural products contained in Schedule LIV - Zimbabwe.

Internal Support

The major support afforded farmers in Zimbabwe is through Research Extension, Veterinary Services and subsidised agricultural loans, and such support is for development purposes of the rural areas.

indicated negative results for all our major agricultural

Agricultural Negotiations: Supporting DataDomestic Support: Name of Country: ZimbabweMeasures Exempt from the Reduction Commitment: Special and Differential Treatment
