

VIII. CONCLUSION

8.1 In light of the findings contained in Section VII above, we conclude that, to the extent that the United States, by enacting Section 101 of the Jobs Act, maintains prohibited FSC and ETI subsidies through the transition and grandfathering measures at issue, it continues to fail to implement fully the operative DSB recommendations and rulings to withdraw the prohibited subsidies and to bring its measures into conformity with its obligations under the relevant covered agreements.

8.2 Since the original DSB recommendations and rulings in 2000 remain operative through the results of the compliance proceedings in 2002, we make no new recommendation.
