UNITED STATES – MEASURES CONCERNING THE IMPORTATION,

- (b) the Panel's finding that U.S. dolphin safe labeling provisions are mandatory within the meaning of Annex 1.1 of the TBT Agreement.³

As a result of the foregoing errors, the United Stat

As a result of the foregoing errors, the United States also requests the Appellate Body to reverse the Panel's legal conclusion in paragraph 8.1(b) of the Panel Report and its recommendation in paragraph 8.3 of the Panel Report.

6. If the Appellate Body were to reject the U.S. appeal set out in paragraph 1, then the United States requests the Appellate Body find that the Panel failed to make an objective assessment of the matter before it as called fo
