SESSION DESCRIPTION (MAX. 150 WORDS WITH SESSION'S PURPOSE, MAIN TOPICS CONNECTED TO THE RELEVANT THEME, AND EXPECTED OUTCOMES)
Does your company ship goods by ocean vessel around the world? Maritime shipping is an essential service for global companies. It accounts for 90% of global trade and approximately 3% of global emissions. Climate-leading companies have an essential role to play to drive ambition and lunch to learn more about the Zero Emission Maritime Buyers Alliance -- a first of its kind buyers alliance in the maritime space -- and network with other corporate executives and leaders.
