

THE FUTURE OF TRADE AND ENVIRONMENT: INTERACTIONS WITH GENEVA'S YOUTH

Virtual – 12h 00-13h30 CET

19 NOVEMBER 2020

-looking dialogue on ideas and actions to help both the environment and the economy. This initiative is aimed at giving you an opportunity to engage with the trade and environment community at the international level, to share your aspirations, your questions – and ideas, big or small – they all count. This is a first step. Help us find sustainable solutions for the future!

1. Ambassadors: Two Ambassadors to the World Trade Organization will provide the background to the event and share their perspectives on the role of young people in international discussions taking place in Geneva.
 - x Mr. Chad Blackman, Ambassador, Permanent Representative of Barbados to the WTO and Chair of the WTO Committee on Trade and Environment
 - x Ms. Bettina Waldmann, Ambassador, Alternate Permanent Representative of Germany to the WTO
2. Students: Short presentations on the problem of plastic waste from the German School of Geneva, followed by Institut Florimont on the topic "Trade in Goods: Finding solutions for clean Trade" is organized by: Barbados and Germany

The event will be held on Zoom.
