

## The revised text of the GPA: key

# Contents of presentation

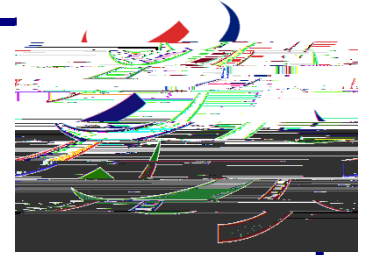

**Main  
elements of  
the revised  
Agreement**

**Key  
revisions  
and new  
elements**

**Flexibilities**

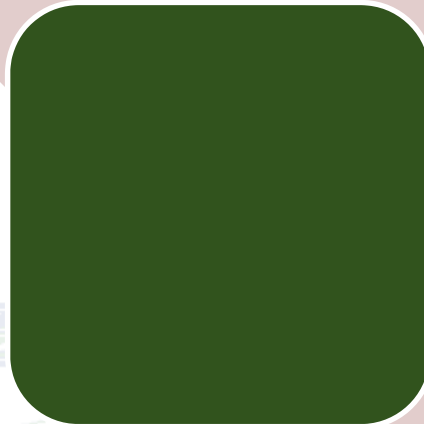

**Concluding  
remarks**

# Main elements

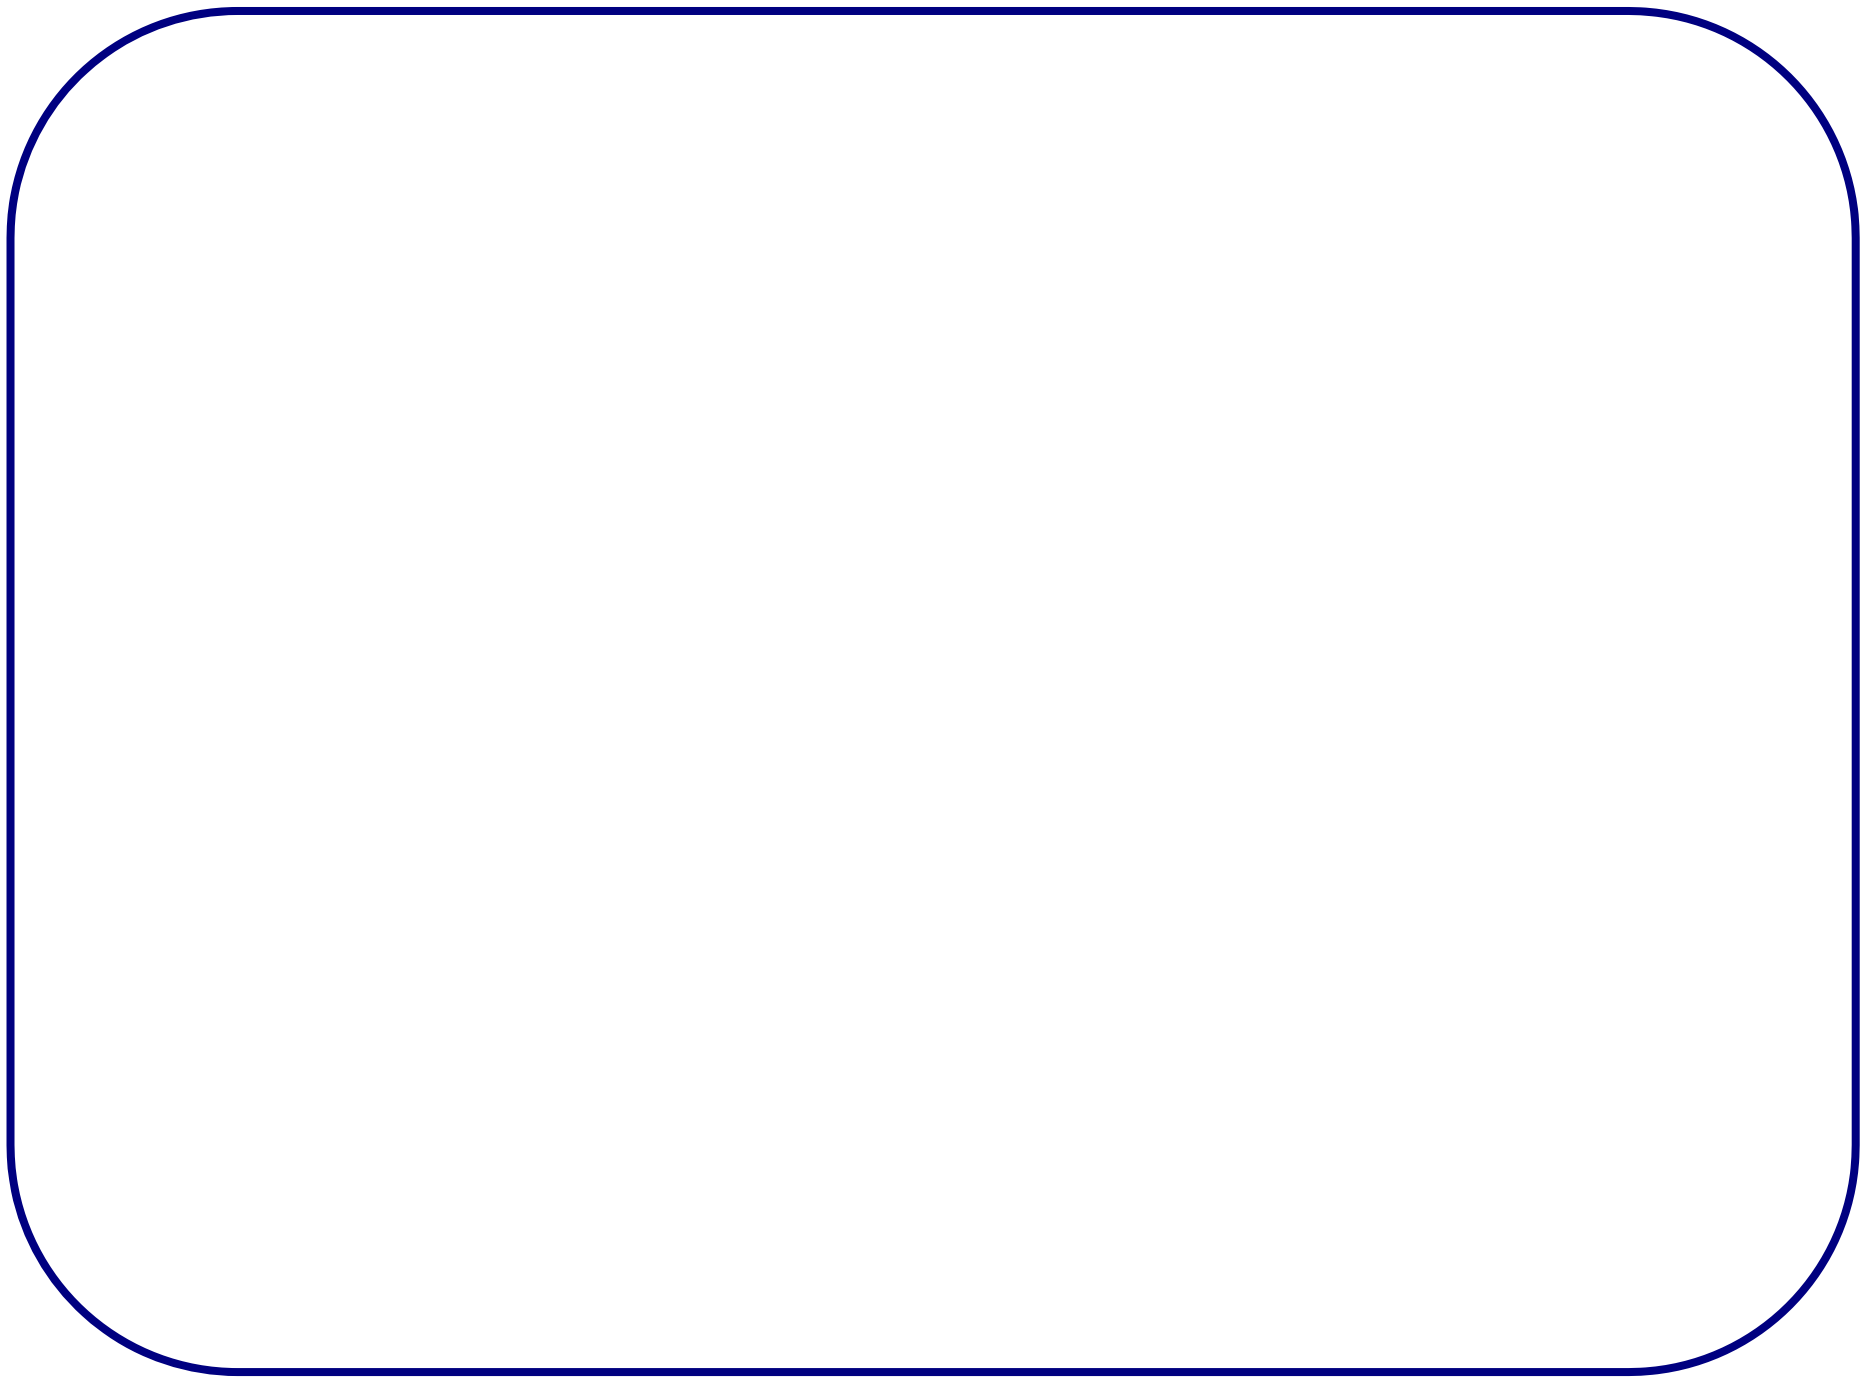

National treatment  
and non-  
discrimination.

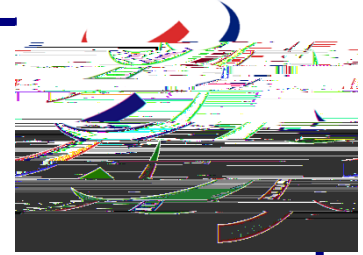

Detailed  
provisions on  
procurement  
process, to ensure  
transparent and  
open competition.

# Concluding remarks

The GPA transparency and procedural rules are

- designed to promote competition, ensure non-discriminatory treatment of suppliers
- designed to give effect to the market access obligations undertaken by Parties

The revised text has been

- modernised,
- improved, and
- made more user-friendly.

The Agreement has been adapted to take account of

- the use of electronic tools,
- the importance of the fight against corruption, sustainability/environmental concerns,
- the need for harmonization with other international instruments.
