R T T T m

We have expanded our renewables portfolio from offshore wind to onshore wind, solar, hydrogen and power-to-X, and we are present in 14 countries.

i i T m

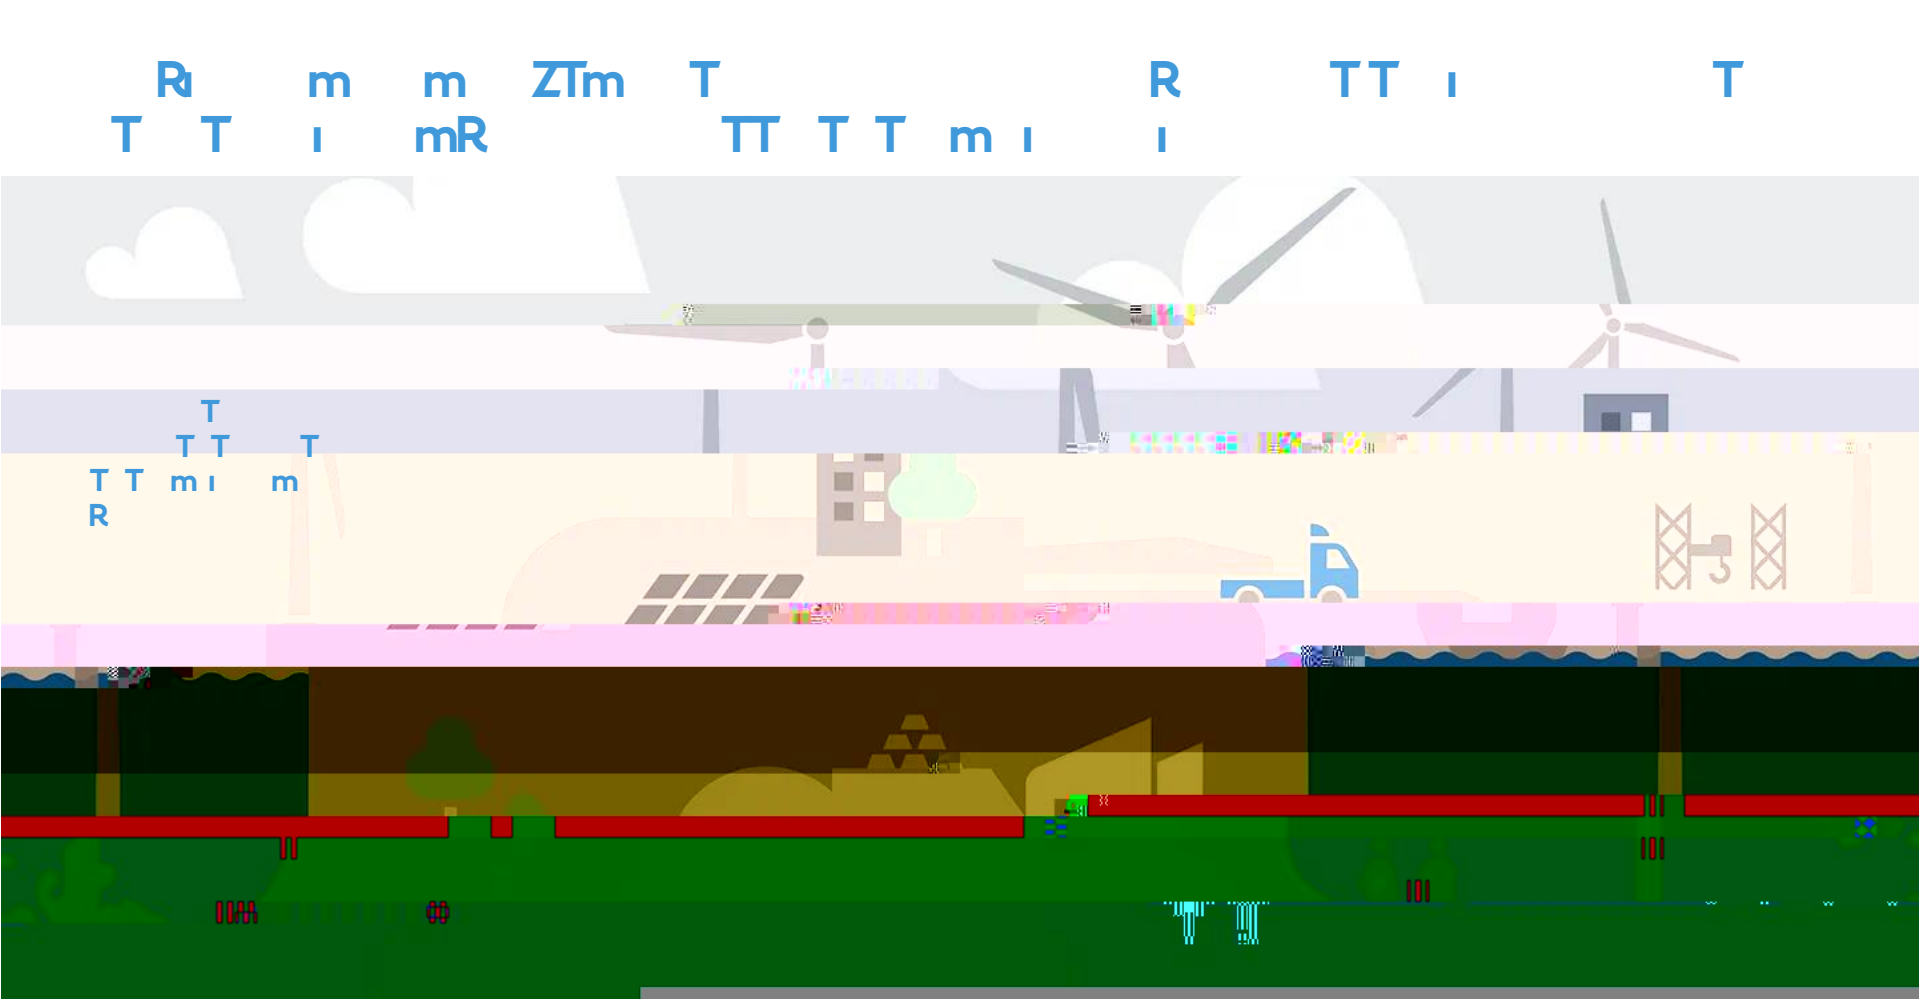

We are ranked by organizations like Corporate Knights, CDP, the Science-based Targets initiative and MSCI as a leading example of corporate sustainability.

Recycling is just one of many circularity (R) strategies we can

As a developer, Ørsted has a key opportunity to ensure circularity across the full life cycle
