**WIPO AND THE UNFCCC**

WIPO is the global forum for intellectual property services, policy, information and cooperation.

WIPO is a specialized agency of the UN. Our mission is to promote innovation and creativity for the economic, social and cultural development of all countries, through a balanced and effective international intellectual property system.

WIPO – UN Agreement: Article 10: Transfer of Technology

The Organization agrees to co-operate ~~with~~ in the field of its competence with the United Nations and its organs, particularly the United Nations Conference on Trade and Development, the United Nations Development Programme and the United Nations Industrial Development Organization, as well as the agencies within the United Nations system, in promoting and facilitating the transfer of technology to developing countries in such a manner as to assist these countries ~~in~~ attaining their objectives in the fields of science and technology and trade and development.
